

Door System Components

There's another reason Thermo-Tru® door systems deliver enhanced performance year after year. Each Thermo-Tru door component is designed and built to work together as part of a complete system for maximum energy efficiency and performance.

It's a system, with a system warranty. Thermo-Tru covers all the components...
(slab, lite insert, sill, weatherstrip, etc.)

Medium Reach

weatherstrip

Foam filled compression weatherstrip remains flexible and helps seal your entryway against moisture and air infiltration. Removable for finishing. Available in bronze.

Long Reach

Long reach is applied to strike and head jamb; medium reach is applied to hinge side (reduces hinge-bind).

seven shape corner seal pad
 Its innovative design creates an air pocket that helps prevent air and water infiltration.

door bottom sweeps

Features dual bulbs with dual fins that sit tightly on the sill to help prevent air and water infiltration.

composite sills

Profiled design for a tighter fit with the door to help eliminate the destructive effects of water. Inswing uses a composite adjustable sill.

An outswing uses a fixed composite sill.

out-swing sill extender

Available in 2" widths to accommodate larger jamb/slab of 6 7/8".

adjustable security strike plate*

Tested to withstand up to three times the force of standard strike plates, offers both security and adjustability.

* As tested by an independent laboratory. Not available on certain configurations.

transport clip

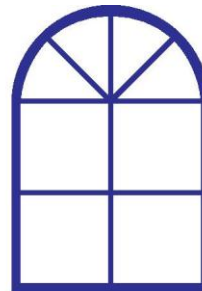

A steel piece used to temporarily fasten a prehung door assembly closed for handling and shipping, which maintains the door panels proper position in the frame. Plus, allows prehung door to be installed much easier.

stain kit**

Do it yourself with Thermo-Tru® Same-Day® stain. Available in seven colors. Same-Day stain is specially formulated for fiberglass and dries in a fraction of the time of other stains. Ask your local dealer for Same-Day stain pre-finished options.

** Thermo-Tru highly recommends use of a Thermo-Tru Same-Day-stain with its door systems. With the use of Same-Day stain, there is a 5-year product warranty and a 5-year limited satisfaction warranty. For complete details on our full system warranty, see your nearby Thermo-Tru dealer or visit www.thermatru.com.
